Sequoits Open Season Against Wilmot High There Friday Night

**Real Battle Expected,
Game to Start at 7:30
Instead of Later Hour**

Antioch High will meet one of the better teams of Wilmot, Wis., High School when the Sequoits play the Panthers at Wilmot Friday evening.

The game will start at 7:30 p. m. instead of 8:30 p. m. as previously announced, Coach Robert Walther said. This time was written into the contract at the time Wisconsin was on standard time and was never changed.

"I understand Wilmot has a good team this year and it will be a real battle," said Coach Walther. He perhaps had in mind last year's game in which the Sequoits managed to eke out a 6 to 0 victory after Wilmot had threatened all the first half.

The Antioch coach will use as his starting lineup Tom Burda, right end; Phil Mitchell, right tackle; Walter Rosquist, right guard; Ed Martin, center; Bob Wasniak, left guard; Chris Davis, left tackle; John Parker, left end; Dick Wolf, quarterback; Don Pyle, fullback; Vincent Nauseda, left halfback; and Chip Eberman, right halfback.

Dick Gudgion who is recovering from a shoulder injury, will be rested this game. Bill Dressel will alternate at ends, and Wes Merryman may go in at tackle. Kenneth Stepien will be available at guard and Bob Martin at center. Others who may see action are Jim Portalski at half, and Jack Thompson, fullback. Wolf was chosen for quarterback (continued on page 12)

Mrs. Clara M. Buchert Of Lake Villa Dies

Funeral services were held at 1:30 p. m. Saturday at the Strang Funeral home for Mrs. Clara M. Buchert, 66, of Beck road, Lake Villa, who died last Thursday afternoon at St. Therese hospital after a lingering illness. Burial was in Elm Lawn cemetery, Elmhurst.

The Rev. Edmond Hood of St. Ignace Church officiated.

Mrs. Buchert was born March 31, 1892 in Elmhurst, but moved to Lake Villa 32 years ago. Her maiden name was Clara Blume, and her marriage to Emil Buchert took place Sept. 24, 1910.

Surviving are the husband, three daughters, Mrs. Helen Schaefer and Mrs. Hazel Van Patten of Antioch, and Mrs. Evelyn Harmon of Elmhurst, and 12 grandchildren.

Driver License Suspended

The driver license of Russell H. Homan, R.F.D. 3, Antioch, has been suspended by Secretary of State Charles F. Carpenter because he is reported to have "caused or contributed to an accident resulting in injury," the secretary said.

Golf View Tavern Meets Lakes Tile In Soft Ball Championship Sunday at 11

Co. Board Delays Zoning Decision Of Diamond's Bid

The Lake County Board of Supervisors postponed for one month a decision on the request of the George Diamond Steak House, Inc., for rezoning to permit a multi-million dollar improvement at the former Chain O' Lakes Golf Club grounds, Rte. 59 and Grass Lake rd.

The county officials said they wanted to study violations of zoning and building codes before taking up the request.

Hawkins Ends Second In Utah Open Golf

Fred Hawkins of El Paso, Texas, a former Antioch resident, tied for second in the \$17,000 Utah Open Golf Tournament which was won by four Dow Finsterwald of Tequesta, Fla., last week.

Hawkins was headed for what seemed certain victory when his putter froze on the last four holes. He lost a chance at a sudden death playoff when he pitched 15 feet long and was an inch short on the return putt for a par 5.

Hawkins and Arnold Palmer of Latrobe, Pa., tied for second at 268. The former Antioch men started the fourth round with a sizzling 199 with Finsterwald at 201, and Palmer a 202. First money was \$2,000.

Underrated Golf View Tavern slam-banged its way into a chance at the championship of the Antioch Soft Ball League by virtue of two victories Wednesday night at the Spring Grove ball park.

The championship game will be played Sunday at 11 a. m. on the Antioch Little League ball diamond. Lakes Tile forced its way into the final playoff game also with a win Wednesday night over Bussie's on the Spring Grove field.

In its doubleheader win, Golf View sprang an upset on Elmer's Service with a 10-9 triumph, then came back with its unheralded aggressiveness to trip Lake Villa V. F. W. by a 15-12 count.

Village Board to Meet In Special Session To Award Contracts

A special meeting of the Antioch Village Board will be held at 8 p. m. tomorrow (Friday) when bids on sludge removal from the village sewage disposal plant will be opened.

At the same time the board will make its decision on the purchase of a snow plow on the basis of three bids opened last week. The bid of one firm was on too light a plow, and the choice will be between the other two.

Improvement of several Antioch street pavements is in progress this week.

Under the supervision of Supt. Edgar Simonsen, Osmond, Naber and Parkway streets were blacktopped by Tuesday evening ready for sealcoating. These were followed by Hillside and Chestnut. Oakwood drive will get a seal coating.

Teachers Will Attend Institute at Zion; No School on Friday

**President of Parsons
College Main Speaker,
Three on 4-Hour Program**

Antioch high school and grade school teachers will join other teachers in Lake county in attending the annual fall institute at Zion Friday. In the meantime the pupils will have a day's vacation.

The teachers are required to attend this meeting as it is declared a school day for which they draw pay.

Dr. Millard G. Roberts, president of Parsons College at Fairfield, Ia., will be the main speaker, talking on "Seeing Ourselves in Education."

As one of the youngest college presidents in America, Dr. Roberts has seen Parsons College triple its enrollment, triple its operation budget, and build more than \$800,000 in new buildings in two years.

Two other speakers on the program which will last from 9 a. m. to 1 p. m. are Bithia Jane Whitney, educator, counselor, lecturer, and Bill McMichael, former athlete and now a TV humorist.

Aubrey Holmes, secretary of teachers' retirement, will be at the institute for conference with teachers.

Famous Artist Here For First Annual 'Art Fair'

Lovers of art will have their attention focused on Antioch during the next two weekends through efforts of the Antioch Brush and Palette Club.

An "art fair" featuring the works of Pierre Nuytens, internationally recognized as one of the world's most gifted and versatile living artists will be shown tomorrow and Saturday on the front plaza of The Record Nook, 845 Main street, from noon on.

The world famous painter himself, now 81 years old, will come to Antioch to be present at the showing as a guest of his niece, Mrs. Richard Nuytens, who is arranging the exhibit. Accompanying Mr. Nuytens will be his son, George, of Chicago. Everyone is invited to attend this free fair and meet this famous personality.

The famous artist and his brother, Alfred, came to Chicago together when one was 21 and the other, 20. The brothers married sisters. Mrs. Richard Nuytens is the wife of a son of Alfred.

"Because the brothers married sisters the two families have been very close," she said.

The artist maintains his studio at 1819 Lincoln Park West in Chicago. (continued on page 7)

To Retire Indebtedness Through Office Fees, Not Through Taxation

**Vote of Supervisors is
Unanimous; Need For
More Space Paramount**

Antioch-area voters will join those of the rest of Lake County in registering their opinion on a proposal to issue \$2,550,000 in bonds to build a new courthouse at Waukegan.

The County Board of Supervisors has promised that if they give consent the job will be done out of current income.

Supervisor Lloyd Murrie of Antioch Township joined in a unanimous vote to put the proposal on a ballot at the Nov. 4 election, and to go on record that the levy will not be extended to the tax bills.

The Board earlier had determined that the new structure would be an addition to the present courthouse building.

Passage of the proposed bond issue is necessary, one resolution said because there is need for additional rooms, offices, storage vaults, additional court rooms, and county offices.

Antioch residents who have gone to the court house this summer found the hallways pressed into use for getting out tax bills, and several of the departments in cramped quarters.

A resolution provides for the abatement of the tax levy each year by resolution and the bonds retired from the earnings of the fee-collecting offices of the county.

The maximum interest rate on the \$2,550,000 bond issue will be 3.34 per cent, a legal requirement of the state.

Because the county has no indebtedness it expects to get the lowest rate it has ever obtained.

Assist. Supervisor Frank B. Peers said that because the office of township collector has been eliminated, the county will have increased county earnings.

C. of C. Committee Plans Fall Sale for Antioch Merchants

The retail committee of the Chamber of Commerce meeting at noon Monday at Smart's Country House set the wheels in motion for a fall sale by Antioch merchants.

Two days, Oct. 17 and 18 were selected as the dates for the sale which chamber members here will rival or exceed previous sales in attraction.

Under consideration is an arrangement by which gift certificates will be awarded to shoppers. Details concerning this plan will be announced later.

Well pleased over the Maxwell Street Days sales, the merchants again will attempt to offer attractive bargains that will be satisfactory to shoppers.

The committee will recommend to advertisers that they use as their slogan, "Antioch, the Biggest Little Town in the U. S. A.," a statement made by Time Magazine in regard to the amount of business transacted in this small community. A slogan for the coming sale is being considered.

He said that to be sure there is room for everyone who wants to see and listen to the program, it will be presented on two nights.

Hawkinson extended an invitation to everyone in the Antioch area to attend the community night.

2 Doctors Hopeful Work Can Begin This Week on New Building

Doctors J. W. Kopriva and Alan Thain are hopeful that construction will begin next week on their new \$32,500 medical center to be built on the 700 block of Main street.

General contract for the building, a joint venture of the two doctors, has been let to the Professional Builders of Madison, Wis., a firm which specializes in medical and professional buildings. Most sub-contracts will be let locally, Dr. Kopriva said.

Besides providing offices for Doctors Kopriva and Thain, Dr. Fred Bobzien is expected to share space in the new building, Dr. Kopriva said. The three medical men now have offices at 395 Orchard.

Lions Told A.T.H.S. Has Fair Chance in Sports This Year

Antioch Township High School football and basketball coaches told members of the Lions Club the prospects of their football and basketball season at the club's dinner meeting Monday at Pasadena Gardens.

Ward A. Lear, athletic director introduced the athletic coaching staff, which comprises Robert Walther, varsity football coach and his assistant William Baird; Roy Nelson, sophomore football coach; Holland Boaz, freshman coach.

Lawrence (Larry) Leon, varsity basketball and baseball coach; Stuart Good, sophomore basketball coach; and William Perich, freshman basketball coach.

Coach Walther said he had but few lettermen to build his football team around this year, but said some of the non-letter men and underclassmen got to play at the close of last season, and that the entire squad is showing such fine spirit that they should win games this year.

"We will go in as the underdog and surprise some of our opponents," he said.

Coach Leon said that so many of the basketball squad were lost through graduation that he will have to build anew this year.

In Lion business, John Weisk made a member of the club. He is proprietor of John's River Inn.

Many of the club members participated in the District golf tournament at the George Diamond golf course.

Charles Wertz Home From Hospital

Charles Wertz returned home from Victory Memorial hospital Saturday and is convalescing at his home on Rte. 173.

Championship of the Antioch Little League will be decided Sunday when the Tigers, first-half winners, take the field at 1:30 p. m. against either the Sox or the Dodgers.

The Sox have a tie game with the Tigers to be played off and should the Tigers win, the Sox will have a play-off game with the Dodgers to decide the second half winner.

The Little League picnic will also be held Sunday. The League is inviting all Babe Ruth players, all Little League and all Minor League players to the picnic. Hot dogs and soft drinks will be served to the boys at no charge. Parents can bring lunch or eat at the refreshment stand.

Valuable player and winning team trophies will be awarded at the Little League dance later this month. Team trophies will be awarded after the game. An election of officers will also be held after the game.

Two Hurt in Car Crash On Loon Lake Road

Two teenagers were injured Sunday in a two-car accident on Loon Lake road a mile east of Rte. 21.

Louis Kempf, 19, Petite Lake, suffered scratches and abrasions, and Barbara Wood, 17, Chicago, was bruised about the back and shoulders when the car driven by Lester A. Tucker, R.F.D. 2, Deep Lake road made a left turn colliding with the car going around him to the left and driven by Carrol A. Swenson, R.F.D. 1, Grass Lake road.

Tucker told Deputy Sheriff Daniel Werhan he had his left turn directional signals working, but Swenson said he didn't see any turn signals.

Ill. Bell To Hold Telephone Community Night At High School Gymnasium on Sept. 23 and 24

Illinois Bell will hold "Telephone Community Night" in Antioch week after next, it was just announced by R. N. Hawkinson, manager for this area.

The Antioch Township High School gym will be the scene of festivities on Sept. 23 and 24. The program will begin at 8 p. m.

Hosts for the two evenings will be Mrs. N. Reichert, chief operator; R. N. Hawkinson, manager; E. O. Sullivan, wire chief and the telephone people who provide telephone service in Antioch.

"This Telephone Community Night will give all our friends in the Antioch area a chance to see

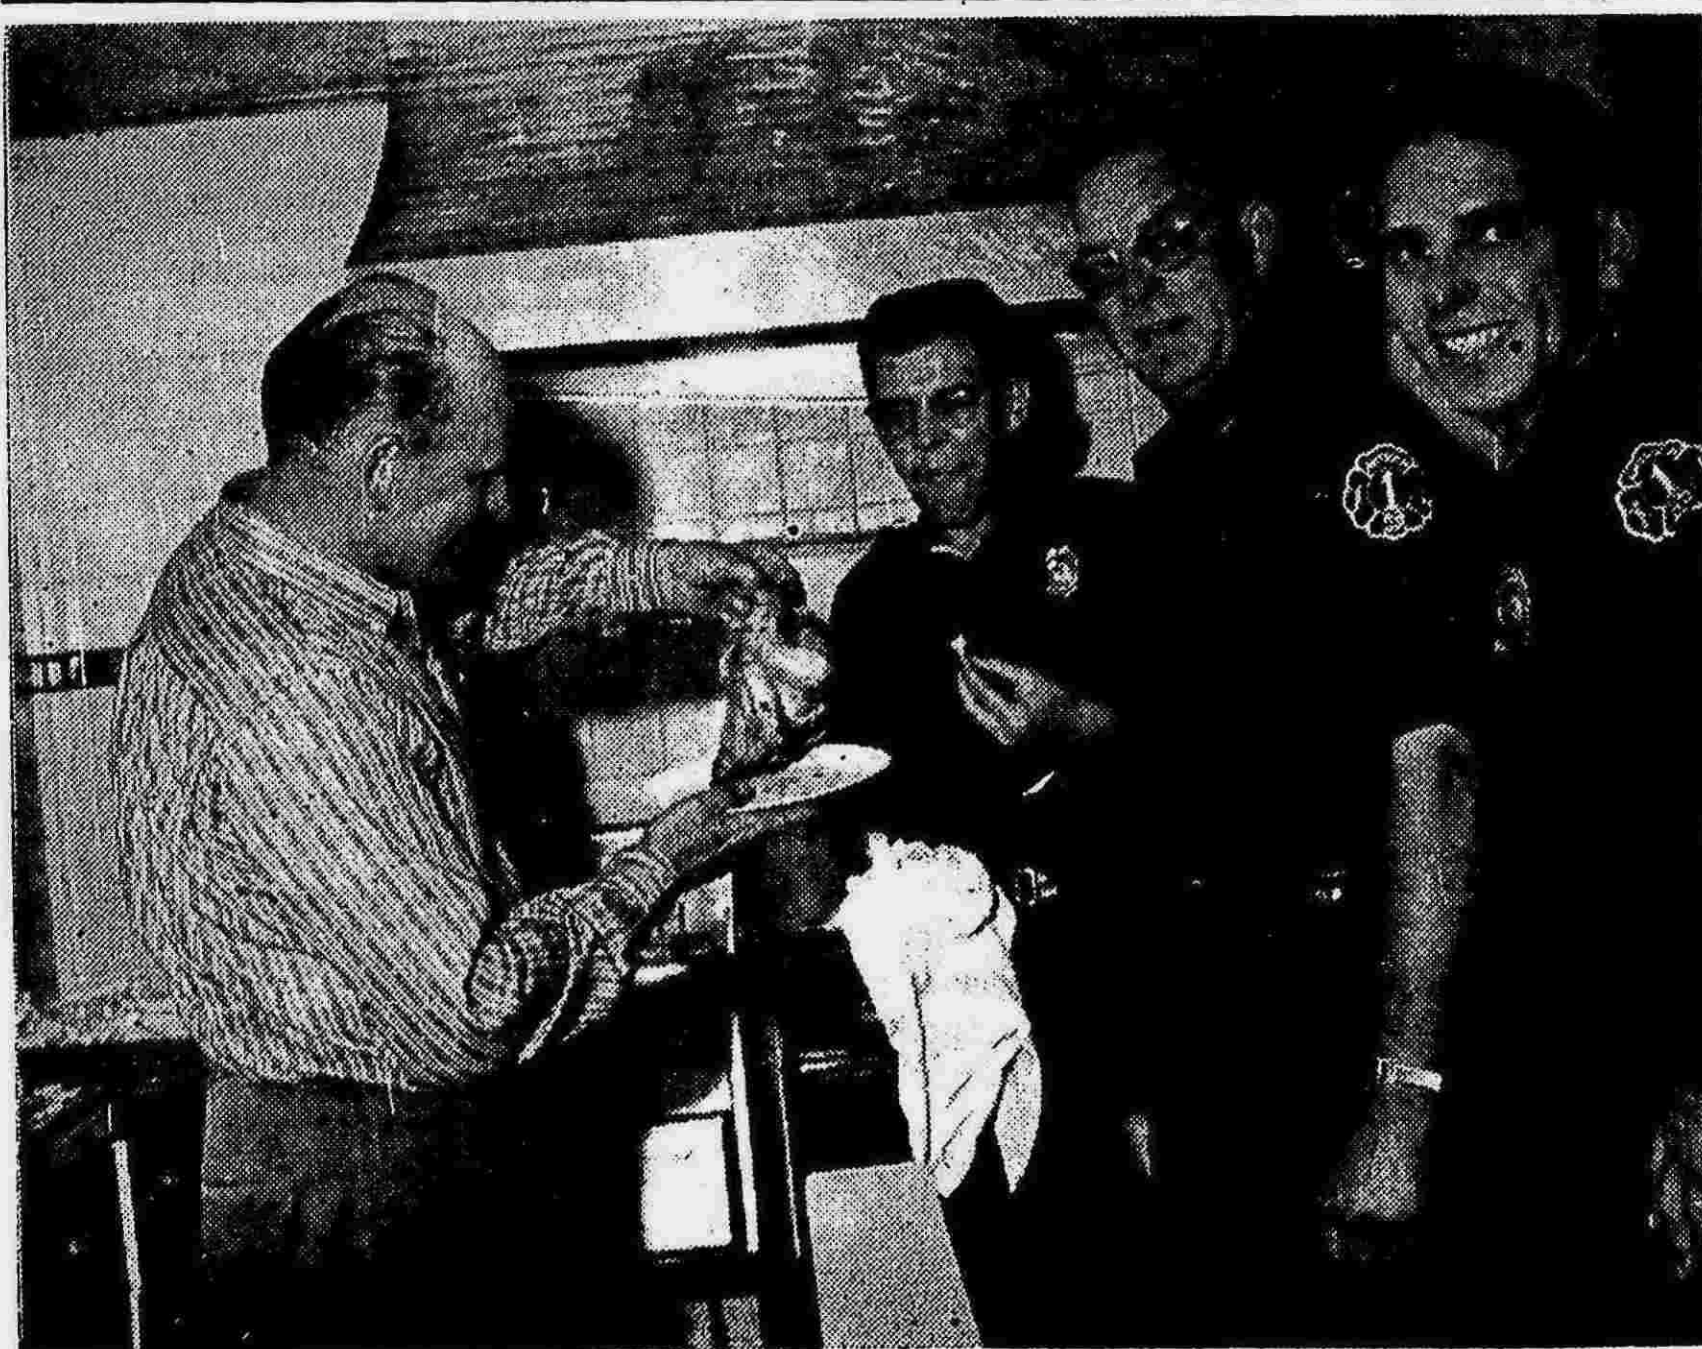

how their telephone system works," Hawkinson said. "We have a lot of special displays and demonstrations which are both entertaining and interesting."

"However, one of the best features of our community night will be the opportunity it extends to Antioch customers to get answers to telephone problems they may have, in talking to their own telephone people."

He said that to be sure there is room for everyone who wants to see and listen to the program, it will be presented on two nights.

Hawkinson extended an invitation to everyone in the Antioch area to attend the community night.

"There Must Be a Change"

People should wake up and demand that Congress stop its spending spree.

That urgent need is emphasized by a member of Congress itself—Representative Byrnes of Wisconsin. And he doesn't feel he is fighting a lost cause. He says: "I think there is always the hope that when people start to understand—and the people must be made to understand where we are—there will be a change in the attitude. There must be a change."

"And I am sure Congress will be responsive to a feeling for economy on the part of the people. I have not given up the fight and I am still going to exert every effort I can to bring economy into our government."

Congressman Byrnes' statement of principle could not have come at a better time. It now looks as if the Federal deficit for this fiscal year will be at least \$12 billion. The debt ceiling has been raised again—to \$288 billion—and there is a definite possibility another increase will be requested next year. The last Congress, like its predecessors, made huge appropriations for which there was little if any justification. For instance, it voted to give the Atomic Energy Commission twice as much money for the construction of atomically-fueled electric projects as the Administration asked for.

Congressman Byrnes said the plain hard truth in five words: "There must be a change."

National Newspaper Week

This country has something of a mania for "weeks" and "days" celebrating all manner of things and occasions from the sublime to the ridiculous. But some of the observances are far above the common run, and deserve the public's interest and attention.

This is certainly the case with National Newspaper Week, October 1-8. Its theme is "Your Newspaper Guards Your Freedoms." And that's more than just a felicitous little slogan. It's a fact. A free press is the most potent weapon against tyranny and persecution that any nation can possess.

Dictators always take over the press as soon as they gain power and pervert it to their own ends. That's only logical. For dictatorship can't stand the freedom of expression and debate a free press stands solidly for.

A Tip From Mark Twain

Mark Twain's lovable Pudd'nhead Wilson wrote in his diary: "October. This is peculiarly dangerous month to speculate in. The others are July, January, September, April, November, May, March, June, December, August and February."

Pudd'nhead Wilson could write today with more

telling effect about the gamble millions of Americans are now taking. For these millions are gambling with more than money. They are gambling with their lives.

Here is what we mean:

There are 300,000 Americans alive today who have had polio. Many of them are crippled for life. Some are still in iron lungs. Some will never be able to leave a wheel chair.

But since 1955, thanks to Dr. Jonas E. Salk and the March of Dimes, we have a vaccine to prevent polio paralysis. It won't cure those already crippled, but it will prevent new cases.

Some 65 million Americans have already had the wisdom to stop gambling with polio by taking Salk injections. But 46 million polio-susceptible persons under the age of 40 have neglected to do so. These are the foolhardy gamblers.

"Any month in the calendar is a good month for starting your series of polio shots. Every month you delay is a bad month for speculating with your health. Take a tip from Pudd'nhead Wilson and protect yourself against the risk of polio crippling now."

The Right to Speak

Should government agencies have the power to tell legitimate businesses and other organizations what they may or may not say in their advertising—on pain of heavy tax penalties?

To many people, who aren't yet aware of what has been going on, and believe that the right to speak one's mind without hindrance is a rock-ribbed right in this country, that question will seem absurd on its face.

Yet government agencies, in effect, have been doing just that.

The Internal Revenue Service has ruled that institutional advertising placed by utility companies in which they present their side of the public-vs-private power controversy is not a deductible business expense.

The Internal Revenue Service has further ruled that literature opposing socialism produced and distributed by the Association of American Physicians and Surgeons is not a deductible expense.

The Internal Revenue Service has further ruled that advertising of the Timken Roller Bearing Company, which discussed such matters as capitalism as opposed to socialism, is not a deductible business expense.

And now the Renegotiation Board has ordered the Boeing Airplane Company to strike out some advertising expenditures which had been added to defense contracts. It is likely that the Internal Revenue will implement this.

In an editorial urging a strong fight against such rulings, Editor & Publisher says: "We think that institutional advertising is . . . vitally necessary to some companies like Boeing that do not sell anything directly to the public. It is just as important to others like private utilities to protect themselves against government competition. It is important to companies like Timken to convey the thinking of management to employees and the community."

And something of far greater importance is at stake—the right of people to present their side of controversies to the public without censorship by taxation.

How many of these electric helpers have you added since 1947?.... asks LITTLE BILL

☐ a ☐ b ☐ c ☐ d ☐ e ☐ f ☐ g ☐ h ☐ i

You're an average family if—in the postwar years you've added six new electrical appliances. Shown here are a few typical examples.

This is why you're using far more electricity nowadays than you did just a few years ago. And why life is a lot easier. But of all the things you buy today, electricity has gone up less than almost anything else.

So, while your bill may be a little higher, electricity is actually doing nearly twice as much work for the money now as it did years ago.

See how little it costs to run each of these electric helpers.

a—Automatic washer—2 loads for 1¢. Saves hours of work each week.

b—Electric dryer—6¢ a load is all you pay to dry the clean electric way.

c—Hi-Fi—about 2 hours for 1¢—4 long-playing records for a penny's worth of electricity.

d—TV set—2 hours for 1½¢—The world's finest entertainment for pennies a day.

e—Sewing machine—runs 4 hours for 1¢. Easy way to stretch your clothes budget.

f—Refrigerator—3¢ a day. New under-counter model is handy for soft drinks, ice, or snacks.

Other appliances include:
(g) Steam iron—Glides along easily on its own cushion of steam for less than 2¢ an hour.
(h) 150-watt lamp—Good reading light costs but a penny for over 2 hours.
(i) Electric clock—the exact time, just 1¢ a week.

"Electricity costs less today, you know than it did 25 years ago!"

ECONOMY TV
TOPICS

(By Harold "Pete" Peterson)

HOW ABOUT RADIOS?

"Do you fix radios here?"
Sometimes people ask us with the insinuation that maybe radio is something of the past like button shoes. They think about us in connection with TV only.

Actually, radio is stronger than it ever has been. 1957 radio production has been a record one; 12% higher than 1956, and still increasing. A great part of our business here at ECONOMY TV on Rte. 173, 1 mile west of Antioch is in connection with all phases of radio, combinations, auto, transistors and portables. Hi-fi, record players and inter-comm. equipment is becoming more popular, too. Television might hold the spotlight but there is no limit to the pleasure of these other electronics.

"Yes. We service every kind of electronic device. If it gives a sound, that is our business, and we want to be of service to you. Ask your neighbor about us and you will phone Antioch 1454, too."

Motorists May Order 1959 Plates Now

Springfield, Ill., Sept. 8—Application blanks for 1959 registration of motor vehicles have been distributed to various outlets throughout the state within the last week, Secretary of State Charles F. Carpenter said today.

Applications from owners will be accepted immediately, but mailing of license plates will not begin until November 1, Mr. Carpenter said.

The November 1 start for mailing plates is a month earlier than in previous years, Secretary Carpenter pointed out, but he cautioned owners that the plates are not to be displayed on cars until December 1.

A new section of the Motor Vehicle Law reads: "The Secretary of State may receive applications for renewal of registration and grant the same and issue new registration cards and plates at any time prior to expiration of registration, but no person shall display upon a vehicle the new registration plates prior to December 1."

Persons wishing to take advantage of the reassignment provision of the law to retain their present license numbers for next year must have their applications in the Secretary of State's office on or before October 31, Mr. Carpenter said.

The color combination for the 1959 plates is white numerals and lettering on a brown background. The combination was chosen in honor of Quincy college.

Supplies of application blanks have been distributed to automobile dealers, notaries public, judges, county clerks and others who requested them, Secretary Carpenter said.

Residential Gas Bills To Be Reduced 3 pct. During Next 12 Months

Residential gas bills will be reduced an average of about 3 per cent during the next 12 months for Northern Illinois Gas Company customers, according to Marvin Chandler, the utility's president. Commercial and industrial gas users will get similar reductions.

This results from an approximate \$4 million refund Northern Illinois Gas received August 8 from one of its suppliers, Natural Gas Pipeline Company of America.

Rates charged Northern Illinois Gas for gas it buys from pipeline companies are subject to Federal Power Commission approval. The current refund is based principally on a reduction in charges by Natural Gas Pipeline while the Federal Power Commission was reviewing its rates. This review recently was completed.

Northern Illinois Gas Company's rates provide a method for returning to customers refunds received from pipeline companies resulting from reduction in costs of gas purchased. Chandler explained that the refund will be returned to customers on their bills during the next 12 months through this rate provision.

He said that the company will make the necessary filing with the Illinois Commerce Commission immediately so that customers' gas bills will begin reflecting the refund within the next few days.

Miss Shirley Slazes Is Recent Bride of James R. McGrain

Miss Shirley Slazes, daughter of Mr. and Mrs. Frank Slazes, of Lake Villa, became the bride of James R. McGrain on September 6 at Prince of Peace church, Lake Villa. The bridegroom is the son of Mrs. Kathryn McGrain and the late Raymond McGrain, 1722 Catalpa, Waukegan.

The double ring ceremony was performed by the Rev. David Lynch. The bride, given in marriage by her father, chose a floor length gown of rosepoint lace over satin, fashioned with a fitted bodice and scalloped neckline. The bouffant skirt was fashioned with pleated ruffles. Her veil was made of nylon tulle and trimmed with French illusion lace held in place by a crown of seed pearls. She carried a cascade bouquet of white orchids, carnations and stephanotis.

Jean Puetz attended the bride as maid of honor. She wore a ballerina length gown of Nile green taffeta and white nylon embroidered organza with Nile green picture hat. She carried a bouquet of white and green carnations.

Serving as bridesmaids were Mrs. Carol Waters, sister of the bridegroom, Miss Joan Justice, Mrs. Michael Haviland and Miss Sharon Slazes, sister of the bride. They wore gowns of embroidered organza with pink-orchid taffeta picture hats and carried colonial bouquets of white carnations and orchid clusters. Jeannie Keisler, niece of the bride, served as flower girl, wearing a floor length gown of orchid taffeta and white nylon, she carried a colonial bouquet of carnations.

Jack Perry was best man and Chuck Waters, William Slocum, Melvin Gibour and Dan Slazes were ushers. Steven Keisler, the bride's nephew, served as ring bearer.

Mrs. Betty Vaughn sang, accompanied at the organ by Mrs. Grace Timmerman.

The bride is a graduate of St. Therese School of Nursing and the bridegroom is a graduate of the University of Illinois.

After a wedding trip through the Eastern States they will live at 1107 Chestnut street, Waukegan.

Faye Mann Elected Worthy Advisor of Order of Rainbow

Faye Mann was elected new worthy advisor of the Antioch assembly, Order of the Rainbow for Girls at a special meeting Monday evening.

Diane Mantis presided at the meeting and Lynn Cheetham was initiated into the order.

Faye announced her corps of officers. The newly elected line officers are Sharon Gibbs, worthy associate advisor; Barbara Yates, charity; Nancy Scott, hope, and Dee Stillson, faith.

Gifts were presented to Betsy Frazier and Peggy Cardiff who will leave for school in a few days.

William Terry left Antioch Tuesday for Champaign, where he will enter the University of Illinois for his senior year.

Garden Club's First Show Friday Was an Outstanding Success

John Kelly Hoffmann Baptized Sunday

John Kelly, the five month old son of Mr. and Mrs. Richard Hoffmann, 425 Lake Street, was baptized at 4 o'clock Sunday at St. Ignatius' Episcopal church. The Rev. Edmond Hood officiated at the service and Miss Mary Shepard and William Terry served as godparents. Following the service a buffet dinner was served at the home of Mr. and Mrs. Howard Gaston. Out of town guests were Mr. and Mrs. Clarence Hoffmann and son, David, Miss Barbara Gall and Mrs. Johanna Hoffmann, all of Wheeling.

MISS BURTON ENTERS SCHOOL OF NURSING

Joan Carol Burton, daughter of Mr. and Mrs. John M. Burton of Antioch, is among the 62 new students entering St. Francis Hospital School of Nursing, Evanston, this fall. At St. Francis her nursing education, which includes both the theoretical and clinical work, is augmented by liberal arts subjects. She is a graduate of Antioch Township High School.

The Antioch Garden Club's first flower show, "Autumn Splendor," held Friday at St. Peter's Hall, was a success.

There were many wonderful exhibits of flowers, fruits and vegetables, with many top ribbons awarded the winners.

Mrs. George Martin, Big Oak road, Cary; Mrs. Raymond Whitcomb, Park Ridge; Mrs. E. A. Walker, Woodstock; Mrs. M. C. Appleby, Lake Villa; Mrs. Beryl Schultz, Lincolnwood, and Mrs. Alfred Roulet of Mundelein served as judges.

Mrs. Marguerite Oschmann, Antioch, received an award of merit for her red water lily, and Mrs. B. H. Roegner received a like award for her display of celery.

Entries came from Lindenhurst, Grayslake, Fox Lake, Lake Forest and Gurnee as well as Antioch. There were seven classifications of entries.

Attractions at the show beside the exhibits in competition were a sales table at which plants and garden produce were sold, as well as honey produced by flowers.

Commercial exhibitors included Floral Acres, Sprenger Flower Garden, Lasco's Greenhouse, Steve's Garden Center, and Kinast's Nursery. Their exhibits added much to the attractiveness of the show and brought expressions of gratitude from the club. These exhibits drew ribbon awards.

Mrs. John Wagner served as general chairman of the event.

Lack of space prevents the detailed report of winners and of the nature and excellency of their entries.

Members of the Woman's Society of Christian Service Esther club held a meeting at the home of Mrs. Lillian Hand, Wednesday evening. Refreshments were served by the hostess following the business meeting.

Surprise Farewell Party Given for Don Klier, Leaving for Iceland

The home of John Braeckman, Sr., of Petite Lake was the scene Saturday night of a surprise farewell party for Don Klier of Loon Lake. Mr. Klier is an Airman Third Class of the United States Air Force and is being sent to Iceland for one year.

Thirty-five guests were present. Out-of-town guests arrived from Waukegan, Twin Lakes, Chicago, Racine, Lake Forest, Berwyn, as well as Pennsylvania and Indiana.

A patriotic theme which was used with miniature American flags decorating most of the food. The highlight of the evening was the presentation of a large white cake to A/3c Klier which had been baked in the form of an igloo. On top of the igloo cake was a TV antenna which was being used as a washline for a pair of red flannels.

Hostesses for the evening were Joan Gebhardt, Dolores Braeckman, Joan and Carol Cervenka, and Dolores Blair.

Mr. and Mrs. Charles Watson left Antioch recently for a two months vacation and trip to California. They plan to visit relatives at Pittsfield and Colorado Springs, Colorado.

The Philip Vermeyens, Petite Lake, Spend Three Months in Belgium

Mr. and Mrs. Philip Vermeyen and children, Fred 15, and Donna, 3, of Highland avenue, Petite Lake, have returned home from a three-month stay in Belgium during which time they visited relatives and attended the World's Fair at Brussels.

It was the first visit of the Vermeyens in Belgium since they came from that homeland to the United States in 1947. Their oldest son, Charles, who was in school at the University of Illinois taking examinations when they left last May 12, and Fred, a sophomore in Antioch Township High School, were born in Belgium, but Donna, their youngest, was born in the United States. Charles didn't make the trip.

The Vermeyens stayed with Mrs. Vermeyen's sister, Mrs. Rosa Van Etten, near Antwerp. The parents of the two sisters are no longer living. Mr. Vermeyen's parents have a small apartment near Antwerp, where Mr. Vermeyen was born.

The Vermeyen family was quite impressed with the fair, which was held on land donated by the King of Belgium for the event.

"It would take 25 days to see it thoroughly," commented Mr. Vermeyen. He said he was most impressed by the Russian exhibit.

"They have gone all out to propagandize the world and have a lot of machinery and stuff to impress the people of their modern living," he said. "They had things there we take for granted and wouldn't think of exhibiting—such as hams."

The Vermeyens sailed from Montreal May 13 on the Holland-American Liner "Maasdan" and returned on the same boat.

Engagement Announced

Miss Judith Margaret Riegler

Mr. and Mrs. Arthur Riegler of Crooked Lake Oaks, Lake Villa, announce the engagement of their daughter Judith Margaret to Mr. Ernest V. West of Millburn, son of Mr. and Mrs. E. M. West also of Millburn.

The couple is planning an April wedding in the Millburn Congregational Church.

Other officers installed were: vice president, Mrs. Mae Atwood; treasurer, Mrs. Darlene Roblin; secretary, Mrs. Dorothy Thompson, and social chairman, Mrs. Lillian Hand. Following the meeting luncheon was served by Mesdames Thomas Fechousek and H. B. Gaston.

LEGION AUXILIARY MEETING

Antioch Unit, American Legion Auxiliary will meet Friday, Sept. 12, at 8 p. m. in the Legion Home. In the absence of the President, Mrs. Carolyn Horan, the first vice president, Mrs. Myra Randall will conduct the meeting.

September is designated as Music month in the Auxiliaries, and special attention will be given to singing hymns of the month.

Mrs. Peter Olsen and children, of Chicago, were guests last week of Mrs. Frank Brett of Channel Lake, who returned to Chicago with her granddaughter on Saturday. Mrs. Brett will visit with her daughter, Mrs. Norman B. Olsen and family, also of Chicago, for several weeks.

Mrs. William Runyard, Lake st., and Mr. and Mrs. Alonzo Runyard, Beach Grove rd., were Sunday guests of the Donald Mulks family, Hartford, Wis. Little Timmie Mulks had returned home from the hospital after surgery. Timmie is a grandson of Mr. and Mrs. Runyard and great-grandson of Mrs. William Runyard.

Joe Bronowski, brother of Mrs. Earl Arthur, was taken to Lake County General hospital for treatment Saturday.

Award of Merit Winners at Antioch Garden Club Show

Mrs. Bernard H. Roegner, left, displays celery and Mrs. Fred Oschmann, right, exhibits a red water lily which received awards of merit at the recent show of the Antioch Garden Club. The first show of the club, "Autumn Splendor" was held at St. Peter's Hall last Friday with much success. (Antioch Photo Service)

Annual Picnic of A.T.H.S. Teachers And Board Today

The annual board-staff pot-luck picnic at Antioch Township High School is scheduled for 6:30 p. m. today in the high school cafeteria. All employees including the board of education will meet in the cafeteria for a pot-luck supper and a program.

The committee planning the supper is composed of Mrs. Anna Brown, cafeteria manager as chairman, Mrs. Francis Cardiff, Mrs. Kathleen Walther and Mrs. Ramona Sheehan. Principal Albert Dittman will be the chairman of the program.

There will be group singing and a short talk by President Robert Demers and the introduction of members of the staff who have been in the system before and the introduction of new members to the staff.

Students from the Girls' Athletic Association are planning a program for the children of staff members. A nursery will also be operated for the smaller children and a recreational hour for the older children.

Mr. and Mrs. William Gurske, Chicago and Edward Fagels of Lake Villa, were Sunday dinner guests of Mr. and Mrs. Henry Homan and Mr. and Mrs. Pat Siedschlag. Afternoon callers of the Homans and Siedschlags were Mr. and Mrs. Howard Henne and Mr. and Mrs. George Enfield and daughter, Dawn, of Elmwood Park, and Mr. and Mrs. Russell Homan and family of Antioch.

Mrs. Freda Wertz was taken to Victory Memorial hospital Saturday, due to an injury to her knee, which she suffered in a fall at her home. Her condition is improving.

Mr. and Mrs. Michael Haviland

The Rev. Francis Johnson recently united in marriage Miss Rosemary Wolf, daughter of Mr. and Mrs. Herman Sterbens, and Michael Haviland, son of Mr. and Mrs. Bernard Haviland, at St. Peter's Church, Antioch.

The Antioch Township High School Music Assn. members will hold their first meeting of the new year at 8 p. m. Tuesday, Sept. 16 in the high school cafeteria.

Joseph Rush, new bandmaster at A.T.H.S., will be introduced.

The plaque which was awarded to the school's summer band during the Illinois State Fair in Springfield on Aug. 11-12 will be on display.

All persons who are interested in furthering the musical interests of the community are invited to join this group. Further information can be obtained by telephoning Mrs. Kenneth Young at Antioch 466-M-2. Plans for the forthcoming year will be discussed and a social hour will follow the business meeting.

Visits Former Students While Lecturing in Antioch

Dr. Robert Thistlethwaite, right, associate dean of instruction at Northern Illinois University, is shown with two of his former students now on the staff of the Antioch Township High School while he was at the school addressing the workshop on Sept. 2. At the left is Miss Cleo Huber, a beginning teacher in business subjects, and in the center is Miss Esther Slavin head of the business education department.

Neighbors Give Help As Fire Guts Herb Canty Home

Neighbors of the Herbert Canty family in the Felter Subdivision were quick to provide lodging and clothing after the family's home was gutted by fire Thursday morning.

The Canty family, including four children from 5 to 9 years old, is staying at the Ralph Gussarsen home until more permanent arrangements can be found.

The fire began about 7:45 Thursday morning apparently in a closet, Mrs. Canty said. "Before we knew what was happening, everything was on fire," she said. No one was injured but the family's entire possessions were lost.

Fire Chief Edgar Simonsen estimated damage at between \$4-5,000 and said the entire inside of the 4-room frame home was destroyed.

Smith Home From Hospital

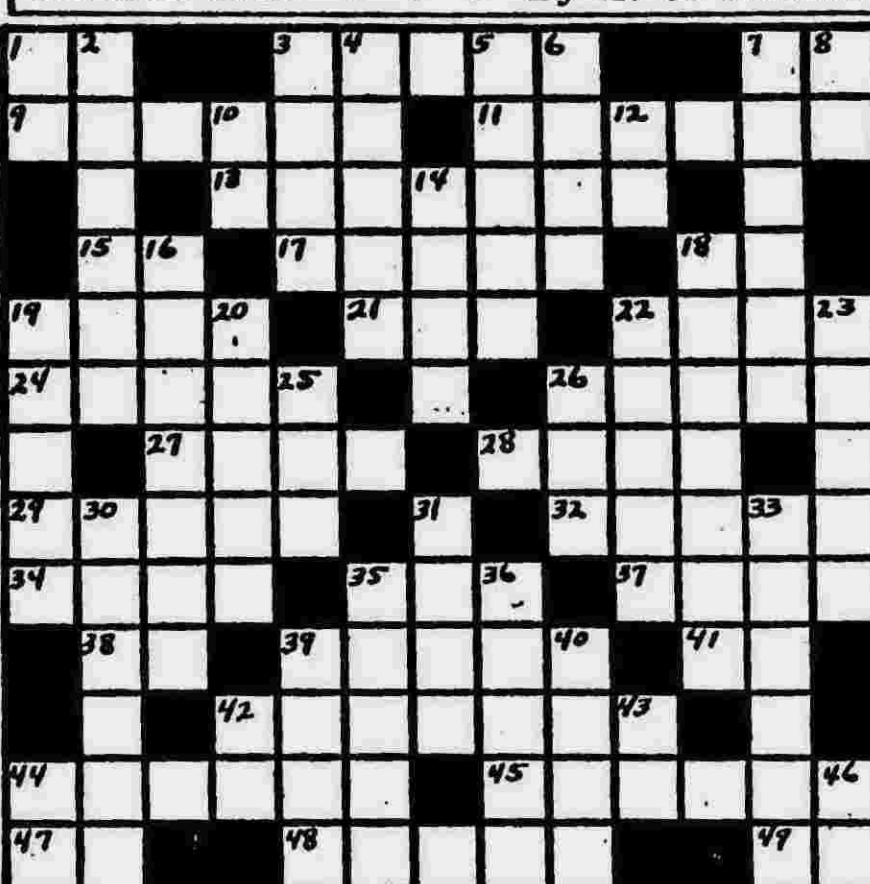

Gene E. Smith of Venetian Village who has been at Conell Memorial Hospital in Libertyville for 14 weeks as the result of a work accident in which he suffered a broken back is now convalescing at his home. Smith enjoyed the television furnished for his use by Reeves Drug Store of Antioch.

Timothy O'Connell, an employee at Reeves Drug store, left Tuesday by jet passenger plane to County Cork, Ireland, where he will spend the next six weeks with two brothers and a sister. He arrived there Wednesday morning after a 6-hour flight. O'Connell made a visit to Ireland two years ago.

Albert Herman, son of Mr. and Mrs. Albert Herman, Sr., North ave., returned to his studies at the University of Illinois last week.

Famous Artist.....

(continued from page 1)
He is best known for his etchings of notable persons in the United States and Europe. His works grace the White House and Congressional Library in Washington, D. C., the State House in Springfield as well as the Royal Palace and the War Museum at Brussels in his native Belgium.

Mr. Nuytens has exhibited his paintings at the Ecole d'Industrie in Antwerp where he studied as a youth and where he took a prize in 1894. He was decorated in Belgium by King Albert in 1918 with the Chevalier Order of Leopold II for meritorious service in World War I. He has been given the unofficial title of etcher of presidents, and his works are so outstanding that they have become collectors' items.

Local artists will also display. The Brush and Palette Club will offer its third annual exhibit Friday and Saturday, Sept. 19 and 20 at the Lyons-Ryan Ford Salesroom, Main street in Antioch.

This promises to be the largest show of paintings the club has had, and this year for the first time ribbons will be awarded for the best paintings in each class.

The judge will be a well-known North Shore artist, Everett Misunas, who has had several one-man shows and is head of the art department of the Waukegan Township High School.

Members of the Green Thumb Garden club and the Antioch Garden club met Monday at Honey-bear Farm, where they enjoyed a luncheon and a demonstration on flower arrangement by Mrs. Ruth Kinsner of New York City.

or half hams, ranging 55-59c competitively, and only picnics quoting higher this week, generally 45c.

Lamb—Another meat category of slightly higher costs—leg roasts generally 65c to as high as 79c for choice grades. Shoulder roasts show a consensus 45-49c.

Beef—The longest run, relative value in meats, changes little marketwise. Prices do range widely, however. Hamburger, still available in some stores at 49c for a standard product, is more commonly 55-59c for leaner meat. Blade cut chuck ranges 39-49c, with the latter a more common quote, while round bone cuts average 20c per pound higher. Rump and sirloin tip roasts quote up from a low of 89c to a top of \$1.09. Rib roasts are generally lower, but cuts vary as widely as prices, standing ribs generally 59c and choice grade ribs of the 1st-4th cut 69c. Better steak values include round 85c, sirloin 98c, porterhouse from 1.15.

Poultry—Fryers 35-39c, heavier stewing hens 43c, turkeys 45-49c, and capons ranging 55-59c. Small eggs are cheap, from 29c but large sizes continue to increase almost a penny a day, ranging from 57-59c per dozen.

IT'S A PLEASURE TO SHOP AT JEWEL

Where Beef is Always "U.S. Choice"

You'll find only one high grade of beef at Jewel—U. S. Government graded "Choice". It's the only grade of beef Jewel meat buyers even consider when they "go shopping" for you.

"Grading" of beef is based on the amount and distribution of fat and the color, texture and firmness of the lean. The more marbling of creamy-white fat running through the lean, the better the flavor and tenderness of the meat after it's cooked!

When you serve "U. S. Choice" Jewel beef at your table, you can be sure ahead of time it will turn out tender and juicy, just the way you like—another reason why it's a pleasure to shop at Jewel.

In-Service Training Program for Teachers At Antioch Township High School Announced

Principal Albert Dittman of Antioch Township High School announced to the school faculty the in-service training program for the school term 1958-59.

The purpose of in-service training for staff members is to acquaint them with the school program, to study and evaluate current education trends and to discuss overall philosophy and objectives of education. The in-service program will center around the following meetings:

Antioch High School Teacher Workshop Institute, which was held on Sept. 2 to orient teachers with the opening days of school; Lake County Teacher Institute; North Lakes Illinois Education Association meeting which will be held at Zion; quarterly faculty meetings; monthly Parent-Teacher-Association meetings; monthly Antioch High teachers association meetings and monthly departmental meetings.

Prin. Dittman has indicated that the quarterly faculty meetings will again be called for 3 to 4:30 p.m. All staff members are required to attend these meetings. When the faculty meetings are called, the students are excused at 3 p.m.

The meetings planned this year are as follows:

September 23—The topic for discussion will be "Problems Related to the Opening of School and Problems Related to the Future of Antioch High School." Mr. Dittman will be in charge.

November 23—The topic for discussion will be "What Criteria Are Necessary in Developing a Reasonably Uniform Program of Student Progress Evaluation in an Ability Sectioned Curriculum." Frank Denison, guidance co-ordinator, will be in charge.

January 27—The topic for discussion will be "Is There a Greater Achievement of Pupils in an Ability Sectioned Curriculum than in a Traditional Academic Program." Warren Polley, assistant principal, and Carol Mapletorpe, teacher and Dean of Girls, will be in charge.

April 28—The topic for discussion will be "Curriculum Committee Report" and this program will be handled by the entire curriculum committee. The curriculum committee is composed of all department chairmen and special teachers in the high school.

TAX FACTS

The Taxpayers' Federation of Illinois today released its new publication, "Something Is Being Done About Costly Government." The pamphlet calls attention to the Federation's constructive accomplishments in recent months to confront the problems created by expanding government.

This brochure describes the Federation's work at the grass roots: The staff is consistently deluged with questions of a local nature, ranging from "How much should our school cost?" to "Is our local government run efficiently?" A di-

gest of county laws, a study of school building costs and local surveys are illustrative of the Federation's work for efficient local government.

Another service at the local level is the Federation's biennial tax school for county officers and tax officials. This school, last held in January, 1958, promotes uniformity and correct procedures which protect home owners and tax payers from unjustly high taxes.

Accomplishments in State Government are also enumerated. The new pamphlet tells of the staff's important work with the Legislature. At the last session, the Federation played a large part in drafting and supporting legislation to put better locks on the State's till. The Personnel law, which went into effect July 1, 1957, has strong Federation support, because good personnel practices are needed for the State—a major employer which employs about 52,000 on an annual payroll of over \$200,000,000.

Then too, staff research played an important part in the General Assembly's action of tabling a bill which would have repealed tax rate limitation laws. If this bill had become a law, the taxing power of local governments would have increased tremendously without voter approval.

At the Federal level, the attractive publication describes the important work of its Hoover Report Division which vigorously supported the economy measures of the Hoover Commission Report. Also related in the National picture is the constructive work done at Washington by the National Taxpayers' Conference, an Association of which the Federation is a member along with 35 other similar State taxpayer organizations.

Proud of its accomplishments as the only state-wide association working exclusively for efficient and economical government, the Federation lastly describes its information services which keeps the public informed on the costs and problems of government.

Rep. Church Announces Exams for Candidates For Service Academies

Representative Marguerite Stitt Church (R), 13th District, Illinois, announces that her competitive examination for all candidates for nomination to the Naval Academy, the Air Force Academy, and the Merchant Marine Academy in 1959 will be held under the auspices of the Civil Service Commission on Monday, Nov. 17, 1958. The examination will be held at Chicago, Des Plaines, Evanston, and Waukegan.

Mrs. Church will have one vacancy at the Naval Academy and one vacancy at the Air Force Academy. She will also have the privilege of nominating ten candidates for possible admission to the Merchant Marine Academy in 1959—with the final selection of Midshipmen-candidates being made by the Maritime Administration on a nation-wide basis.

All candidates must be actual residents of the 13th District, of sound physical health and good moral character, and must be not less than 17 nor more than 22 years of age on July 1, 1959. The 13th Congressional District is composed of 13 townships in Cook County, and all of Lake county.

The applicant should designate the order of preference of academies and where it would be most convenient for him to take the examination. If temporarily absent from the 13th District, he may be examined elsewhere, at points where the Civil Service Commission maintains an officer or examiner.

Letters of application must be postmarked before midnight, Oct. 10, 1958, addressed to Representative Marguerite Stitt Church, House of Representatives, Washington 25, D. C.

Motorists Must Stop For School Bus

Illinois and Indiana motorists are reminded by the Chicago Motor Club that both states have a law requiring all vehicles to stop when a school bus is discharging or receiving children on a highway.

This law applies to drivers approaching from either direction, except on expressways divided by a median strip or parking area, where the driver does not have to stop if approaching the school bus from the opposite direction.

Illinois law does not require drivers to stop for school buses in business and residential districts. However, even when the law does not require a stop, motorists must be thoroughly cautious when approaching school buses at any time—whether on the open highway or in urban areas.

In Indiana, the bus stopping law applies throughout the state, including business and residential streets. A safe stopping distance should be maintained between the approaching car and the school bus at all times, as the buses stop frequently to take on or discharge children.

Whenever a motorist spots a school bus, he should be especially alert for children running to or from the bus.

Now Is A Good Time To Check Corn Crib

URBANA—(Sept. 11)—Now is a good time for Illinois farmers to check their corn cribs for protection against rats.

W. E. McKenzie, of the University of Illinois, chairman of the Illinois Grain Sanitation committee, said today that measures taken now to protect corn will pay off in grain saved from the destructive rodents.

With many of the corn cribs that were used last year now empty, there is time before this year's crop is cribbed to check for holes around the bases of the cribs and around doors.

McKenzie said use of metal cribs in the past few years has discouraged rodents from gaining entry into cribs provided the doors fit tightly. Use of concrete floors, wire mesh and sheet metal around the

base discourages the entry of rodents into wooden cribs.

Any program of rat control also should include a baiting program, using anti-coagulant type baits, McKenzie said.

"We have all the weapons we

need to control rats," McKenzie pointed out; "and the individual farmer who carries out a methodical program against rats, never letting them get started on a population build-up on his farm, isn't going to be hurt very badly."

Local Men Take Part in Marine Exercises

Marines Pfc. Robert A. Mathews, Jr., son of Robert A. Mathews of Lake Boulevard; Cpl. Robert E. Enis, son of Mr. and Mrs. Vincent Enis of 603 Highland Ave.; and Pfc. Bernard Lorusso, son of Mr. and Mrs. Joseph Lorusso of Rte. 4, Box 507, all of Antioch, are taking part in the year's largest West Coast amphibious landing exercise, with the 1st Marine Division from Camp Pendleton, Calif., during Sept. 3-13.

The exercise includes assaults on mock coastal installations at Camp Pendleton, by both amphibious and helicopter borne troops, lifted from

the decks of off-shore aircraft carriers.

For the operation the Marine Corps is utilizing, for the first time, its new HR-2S troop-carrying helicopters.

Big jet planes eat fuel three times as fast as conventional piston-powered planes. Each jet uses from six million to seven million gallons of petroleum a year.

Salem Central Plays Oak Creek Friday; Beats St. Marys 21-20

The Salem Central football team will play Oak Creek High School at Oak Creek at 3 p. m. tomorrow (Friday) after having won the season's opener last Friday with St. Mary's 21 to 20.

Oak Creek is the new high school that will take Salem's place in the Braveland Conference.

The Falcons are free-lancing this year in football, but will enter the regular schedule of the Southwestern Conference in basketball.

Coach Roger Terry will have six lettermen in the lineup at Oak Creek. They are Dave Erickson at left tackle; Gene Wertzgac at left guard; Wayne Williams at center; Wayne Remus at right guard; Jim Long at halfback, and Rick Thomas at fullback.

Others in the starting lineup will be Cleo Naxvil at left end, Gary Doerflinger at right tackle, Len Krawczyk at right end, Fred Lentz at quarter back, and Gene Schulz at right halfback.

In the defensive lineup will be Russ Hansen, a sophomore and Larry Weidman, a junior, at the tackle positions; Tom Wagner, a sophomore as line backer, and Bob Garver, a recent senior addition, behind the line.

After playing Oak Creek the Falcons will take on Lake Geneva at Salem at 8 p.m. Friday, Sept. 19.

Antioch P.T.A. to Hear Civil Defense Director At Meeting Monday

The first meeting of the Antioch Grade School P.T.A. will be held Monday night, Sept. 15 at the Grade School. Richard Willard of Libertyville will speak on Civil Defense.

There will also be a short film on tuberculosis, shown by Mrs. J. J. Brusk. The film is being shown in connection with the tests which will be given the children next week.

New officers for the coming year are: Mrs. Glenn Pierce, president; Mr. Kenneth Sheldon, vice president; Mrs. Norman Jedele, treasurer; Mrs. Elmer Baethke, secretary; Mrs. Robert Avery, historian; Mrs. Robert Lindblad, publicity chairman; Mrs. Richard Eckert and Mrs. Jack Crandall, hospitality chairmen.

All parents of children attending the new Oakland school are still members of the Antioch P.T.A. and are urged to attend the meetings.

Refreshments will be served by the Eighth Grade Room mothers.

Dr. Earl Hays' Brother Dies in Oil City, Pa.; Was N. Y. Engineer

Oscar C. Hays, 80, of Oil City, Pa., brother of Dr. Earl J. Hays of 786 N. Main street in Antioch, died Sept. 2 in the Oil City hospital and the funeral service was held there Friday.

He was the second of the local doctor's brothers to die during the past year, Clayton Hays having passed away in June. While attending that funeral Dr. Earl J. Hays saw his brother Oscar for the last time.

Oscar C. Hays, until his retirement eight years ago, was department engineer for the Board of Water Supply in New York City. He was the father of Clinton A. Hays, chief surgeon in the Oil City hospital, and Mrs. Ralph Wood of Bethesda, Md. He had lived in Oil City since 1953.

Besides the brother in Antioch he is survived by three other brothers, Frank R., W. Vincent, and Harry B. of Oil City. He was married to the former Elsie June Anderson, who preceded him in death in 1946.

Clergyman Has 2-Way Radio Service With Home

Mrs. Hood and her husband, the Rev. Edmond Hood of St. Ignatius Episcopal Church parish operate the new two-way radio that establishes communication between home and the family car thereby keeping Fr. Hood in close touch with the problems and events of the parish. The rector believes he is the first clergyman to have this communication system now permitted by the Federal Communications Commission.

To Plan Boy Scout Fund Drive on Monday

Leaders in the Boy Scout fund drive will meet at the State Bank of Antioch at 7:30 p.m. Monday to plan the coming finance campaign. A representative from headquarters of the North Shore Area council will be present to discuss objectives of the campaign and methods to be used.

The Antioch News and Antioch Theatre invite Mrs. J. M. Shaw, Rte. 1, Box 372, Antioch, Ill., and one to attend Sunday, Monday or Tuesday's showing of "Cry Terror" and "Underwater Warrior," at the Antioch Theatre.

Dr. and Mrs. Carrol Tossey and sons returned home Saturday after a vacation in Canada and Michigan.

To Attend Conference Meeting at Gurnee

Today's MEDITATION from The World's Most Widely Used Devotional Guide

The Upper Room

Read John 15:12-17

Thou hast made known to me the ways of life; thou shalt make me full of joy with thy countenance. (Acts 2:28)

There is an old saying: "It is easier to say a thing than to do it." A teacher often frightened his pupils with his stern looks. One morning at school he talked about Jesus' receiving little children brought to Him by their mothers. The teacher was enthusiastic about his topic, and the children were very interested. At the conclusion a little girl raised her hand to ask: "Sir, how was Jesus' face when He talked to the little children?"

"He spoke very kindly to them with a very beautiful smile on His face," the teacher answered. Then he suddenly realized that he himself was omitting something which he ought to do in dealing with children.

He began to think of others like himself in responsible positions who do not actually show either in their faces or in their lives the love of which they speak. From that day on he was completely changed.

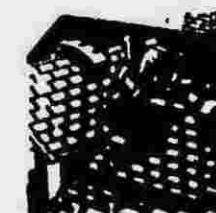

PRAYER: O merciful Father, help us to love one another as Thou hast loved us. Enable us to live for things that make for peace. Cleanse our hearts and purify our souls. In the name of the Prince of Peace, Jesus Christ, our Saviour. Amen.

Thought for the Day: "Treat men just as you wish them to treat you."
